Dear Sir,

K-LOVE Radio provides the best in family music. It is music that I can leave on 24/7 for my son and I to listen to, whether at home or in my truck.

I have listen to K-Love for eight years now and if K-Love were displaced by an LPFM broadcaster, it would have a serious effect on the quality of music that my family listens to everyday.

K-LOVE not only provides the best family music on the radio, but also reaches out to my community by showing a genuine interest in all their listeners. We keep K-Love on the air through our support and the in turn support us by providing exactly the programming we need.

Sincerely,

Chuck Denton
